

DULWICH IMPROVEMENT

WYCOMBE Wanderers, encouraged by last week's news that manager Brian Lee will be staying on until the end of the season, resume their challenge for the Rothmans Isthmian League title tomorrow (Saturday) with a home game against Dulwich Hamlet.

The Blues dropped down to fourth place last week when they were involved in the County Cup but they are still well placed for the run-in to the championship. Three points tomorrow are vital to maintain the pressure on the leaders but Wanderers know full well that victory will not be easy

against a competent Dulwich side.

Earlier this month, Wycombe clinched a 1-0 win at Champion Hill. Geoff Anthony scrambled the winner but Dulwich showed they have a resilient defence and dangermen up front in Alex Jackson and Mills.

Dulwich were going through a particularly sticky spell when they met Wycombe at Home but they have since put that behind them and have won their last two matches. They beat Staines 2-1 at home and then recorded their biggest win of the season at inconsistent Kingstonian on Saturday, 5-0.

Since the teams last met, Dulwich have made a few changes, Paul Webb and Dave Barker joining Dartford. Alan Thomas is back in goal while Phil Roxborough, a full back, has come in from the reserves. John Dear, who missed the Wycombe Match, should lead the forwards tomorrow.

Wanderers will be hoping to have full back Paul Birdseye in the side again after missing last week's game at Rivets with an ankle injury sustained in training. John Delaney and Geoff Anthony also suffered minor knocks against the Met. Police on Tuesday.
